

Ffair Borth Horse and Pony Sale
Gaerwen Auction Centre
Monday 21st October 2020

Our Annual sale of Unwarranted Horses and Ponies again proved to be a popular day out for many equine spectators as a packed ring side witnessed a good trade and well over 75% clearance of stock. With 30 horses and ponies entered into the catalogue and then a further 15 late entries on the day, there was plenty on offer with types to suit all buyers.

The highest price of the day went for a pair of miniature donkeys fetching 1080gns by B J & M J Williams, Dwyfor Rabbit Farm, Llanynstumdwy and they were bought by a local man from Anglesey. The second highest price of the day went to Messrs E W & J A Roberts, Tal Llyn, Ty Croes for a smart 8 year old black Welsh Section D mare fetching 680gns. Third highest price went to Mrs S King for a 16 year old approx. 15hh ridden gelding mainly used for hacking, who fetched 600gns.

Nice to see a few ridden horses and ponies on offer. Shetlands and miniature Shetland ponies in strong demand. Youngstock selling very well, some lovely ones forward which are bound to be seen over the winter at the foal and youngstock shows. Top price for youngstock was a yearling coloured filly which sold for 510gns.
